

Constitutional Day Project

Monday September 18th

An Learning Activity in the art of Social Marketing

Captain American Shield

Must have a Constitutional Passage on the front of the Shield

A passage from the Constitution

A passage from a Supreme Court Decision

A passage from the Federalist Paper

The passage must be cited

Must be made in America – By your hands

No smaller than 20” x 20”

Must be sturdy construction.

You must find a way to attach to arm for easy wearing

Must wear all day -- defending against the foes of the constitution (all people)

OR

Head of the founding Father or Mother or any American that celebrates freedom.

Must be made with a Styrofoam Head

Must Have a pole to carry it around the campus all day

Must have Constitutional Passage on cape that is attached to the pole at the head

Cape should be at least 2 ft long.

A quote regarding freedom

A passage from the Constitution

A passage from a Supreme Court Decision

A passage from the Federalist Paper

The passage must be cited

Must be made in America – By your hands

Must carried all day -- defending against the foes of the constitution (all people)

Additional Funk

**It is a celebration of the Constitution and Freedom ---
Show it**

Public playing of patriot music between classes—on phone, mp3 players, boom boxes or ghetto blasters.

Lights on shield

No fire crackers, explosive devises, or sparklers

Uncle Sam or some patriot hat. The more weird, exotic, and bazaar the better

Patriotic noise maker.

Patriotic Face Painting

Carrying an American Flag. On a pole. The bigger the better.

Like a redneck on the back of an F-150

Patriotic Dress

Organize a meet at the flag pole before school – video need

Video Recording of you approaching a student or administrator that does not have a shield and explaining the value of the Constitution / Freedom

Be creative in regards to different ideas

Any thing that I can't evaluate must be support by video evidence

Assessment of Project

Shield and Quote 88%

Each additional piece of funk and 2% - Maximum grade 104%
